We **easily and quickly convert** your digital assets or OOH designs into rideshare wraps, with our one-size-fits-all template

From data to intelligence with full-suite attribution

Track OOH exposure. We place a moving geofence on each unit, and combine it with billions of anonymized, CCPA-compliant mobile location events to accurately determine the likelihood of who was in viewing distance of the OOH ads.

View campaign performance on charts that are easily digestible, including total impressions, audience breakdown, and conversion events attributable to your OOH campaign (e.g. store visits, website visits).

Case Study:
Groceryshop Conference
BLITZ Campaign

Location Las Vegas, NV

Venue Mandalay Bay

Target Audience Retail Executives

Timing 4 days

Primary Goal Amplify Ibotta's presence at Groceryshop conference and leave a memorable impression to attendees with wrapped rideshare cars

Ibotta was looking for a unique way to make a statement at one of the largest retail conferences in Las Vegas, where OOH inventory was limited and sponsorships were expensive.

The mobilads team wrapped 10 rideshare cars that swarmed Mandalay Bay during the event reaching thousands of retail executives each day as they were entering and leaving the event.

Let's make
your brand
stand out.

The background image shows the Chicago Theatre marquee with the word 'CHICAGO' in large, ornate letters. Below it, the marquee displays 'LIVE! A ONE-WOMAN SHOW' and 'METRIC - THE DOOMSCROLLER TOUR'. The marquee is decorated with colorful lights and patterns. In the foreground, several cars are parked on the street, including a yellow taxi and several dark-colored cars with 'ibotta' branding and the slogan 'Promotions will never be the same.'.
